ABOUT SWAYAMBHU

Swayambhu Social Foundation, a Section 8 Company (Not for profit) registered under Companies Act 2013. It aims at creating self-dependence among the people of rural India, through a socio-economic, cultural and charitable service network, in broad areas of Sustainable development, Women's empowerment and Natural Resource Management. The organisation aims at promoting volunteerism in various areas of medical assistance and holding cultural events of different types for the benefit of the rural public.

Aims & Objective

- ★ Providing for and contributing to education, scientific research and socio-economic development in broad areas of Sustainable Development, Women's Empowerment and Natural Resource Management.
- ★ Providing for and contributing to Environment Management by undertaking activities in the fields of Social Forestry, Wildlife Protection and Bio-diversity Management.
- ★ Providing social welfare in every way including Health Care, Scientific R&D, Financial Assistance, Environment Protection, Climate Change Adaptation and Mitigation etc.
- ★ To promote volunteerism in all possible sectors, including medical assistance, opening of patient homes, construction of modern Reception Areas for Government Hospitals and modernising the Hospital facilities in Public-private partnership models.
- ★ To hold cultural events of different types to promote all types of visual arts, performing arts and other cultural events.
